DEFINITIONS:

1. Resident: A lifetime license or multiyear license may only be issued to an Ohio resident. If proof of residency cannot be verified, the license application will be denied. For purposes of this license, a resident is defined as any individual who has resided in Ohio for at least six months preceding the application date. A person may only be a resident of one state.
2. Apprentice status: Allows hunters to sample the experience of hunting under the mentorship of a hunter-education certified and licensed adult, 21 years old or older.
3. Youth status: For youth multiyear and lifetime licenses, a copy of the birth certificate must be presented at the time of application if the youth has not been issued an Ohio driver license or Ohio ID. A youth hunter with a multiyear or lifetime license is qualified to participate in youth hunts until the day of their 18th birthday..

FACTS:

REFUNDS/TRANSFERS: License fees paid for a lifetime license or multiyear license are nonrefundable and are not transferrable.

SOCIAL SECURITY NUMBER: Federal law requires that a licensee must provide a Social Security Number when purchasing a hunting license or fishing license, regardless of age. If the licensee does not have a Social Security Number, he or she must provide a certification verifying the customer does not have an active number.

IF RESIDENCY CHANGES, THE LICENSE REMAINS VALID: Lifetime licenses and multiyear licenses remain valid for those privileges purchased in Ohio regardless of a change in residency. Permits are issued based upon current residency status.

LICENSE APPLICATION: Application must be completed, signed, and all requested information presented at a wildlife office or if mailed, certified by a notary to be true and accurate. Mailed applications should be sent to:

**ODNR Division of Wildlife
c/o Customer Care Center
1500 Dublin Rd.
Columbus, OH 43215**

OHIO CONSERVATION CARD: An Ohio conservation card will be issued to all individuals who purchase a lifetime license. For apprentice hunters who successfully complete hunter education in Ohio, a free updated card will be provided upon completion of an approved course. The card is an optional \$4.00 purchase for multiyear licenses. Please allow 45 days for delivery of the card.

HUNTER EDUCATION: Successful completion of a hunter education course is required to hunt without supervision. Until a licensee is hunter-education certified, that person must be accompanied by a certified hunter, 21 years or older.

HUNTER EDUCATION CERTIFIED: In order for a hunting license to indicate hunter education certified (HC), the licensee must complete a certified course. If 21 years or older, the licensee can attest to having previously been issued a hunting license (HA). If the licensee has not taken a hunter education course and cannot attest, the license will indicate apprentice status (AP). At any time in the future, if you would like for your license to reflect your certified status, you can apply for a duplicate card.

GIFT: If the lifetime license or multiyear license is a gift, the applicant must present all required documents, and the purchaser can sign the application.

VALIDITY: Lifetime licenses and multiyear licenses grant the privileges accorded by the rules of the ODNR Division of Wildlife for the year in which the licensed activity is being performed.
